CONDITIONS OF SALE

1. **THIS IS A TIMED ONLINE AUCTION ONLY** - PLEASE DO NOT ATTEND THE SITE, NO LIVE AUCTION IS TAKING PLACE, OUR GATES WILL BE LOCKED AND YOU WILL NOT BE ALLOWED ACCESS.

FOR FURTHER INFORMATION ON HOW TO REGISTER FOR THE TIMED ONLINE AUCTION PLEASE SEE THE NEXT PAGE UNDER REMARKS.

2. The highest bidder to be the Purchaser and no bidding shall be retracted after the hammer has fallen. The Auctioneers reserve the right to refuse any bidding and in the event of any dispute the Lot may be up again at the Auctioneers' discretion.
3. Reserve Prices and Provisional Sales - All Lots are put up for sale, subject to any reserve price imposed by the Vendor. Some lots may have reserve prices and the final highest bid on a lot may be subject to acceptance by the seller, if the reserve is higher. The highest final bidder on a lot is contractually obliged to stand by that bid, if it is accepted by the seller.
4. The description of the various Lots is believed to be correct. For the guidance of the Purchasers, approximate weights or measures of each Lot are given in this Catalogue, but it must be emphasised that this is given for guidance only. No warranty as to weight, quality or condition can be given and any intending Purchaser shall be deemed to have inspected the Lot in which he is interested.
5. All Lots are sold for card payment or BACS transfer and must be paid for within 24 hours of the Timed Online Auction ending.
6. A Deposit of £500 will need to be paid to participate in the Timed Online Auction. Please note that all deposits are to be paid via Sagepay. No deposits will be taken over the phone. This is a "reserved payment" system whereby your money will only be taken when you have successfully purchased or become the highest bidder on a lot and goes towards the total purchase price. The purchaser will then be responsible to pay the remaining amount due.

Unsuccessful purchasers should note that refunds of deposits can take approximately 3 - 5 days and you will get an email at the time we have processed the release from our side.

7. All Lots must be removed as stated in the Catalogue and if not so removed, the Purchaser shall pay the Vendor a penalty of £20 per week for each week or part week until final clearance or forfeit the balance of the Lot at the Vendor's discretion. The Purchaser shall indemnify the Vendor for any damage that may be caused to gates, fences etc. in the course of the removal of any Lot.
8. The Auctioneers intend to sell in the order lotted and as described in the Catalogue, but must reserve the right to make any alterations if so requested by a Vendor.

9. The Auctioneers will not be responsible for any Lots damaged by fire, accident or otherwise and all Lots are the Purchaser's responsibility from the fall of the hammer.
10. Upon failure of compliance with the above Conditions, money deposited in payment will be forfeited and the Lots which may remain uncleared after the time aforesaid will be sold by public or private sale, without notice to the former Purchaser and the deficiency (if any) by such second sale, together with all charges attending the same, shall be made good by the defaulter at this sale.
11. In the event of a non-sale, any future negotiations to be through the Auctioneers, as Agents of the Vendor, when these Conditions will apply, subject to any written arrangements to the contrary.
12. Sale Proceeds. Clients' monies paid to us will be held in Brightwells Limited Clients' Auction Sales Account at Barclays Bank plc. Hereford Branch. Clients will not be entitled to any interest on balances in this account.
13. The Auctioneers will supply information on any particular Lot as far as they can as to quality, quantity and position, but no warranty can be given. Any information regarding any lot has been given by the Vendor.
14. Purchasers are required to adhere to any Covid 19 rules and regulations issued by the Government when viewing and collecting.

REMARKS

1. The Auctioneers will supply information on any particular Lot as far as they can as to quality, quantity and position, but no warranty can be given. Any information regarding any lot has been given by the vendor.
2. **The Auctioneers will carefully execute written commissions from those unable to attend the Sale online and will purchase Lots as cheaply as allowed by other Bidders.** Such commissions must be accompanied by a Bankers Draft.
3. Directions on how to get to each Vendor's holding have been given at the commencement of each Lot.
4. All Lots will be sold for the quantity on offer and as inspected, not by the bale.
5. **Options will not be given.** Bidders are requested to bid on each lot they wish to purchase.

VIEWING

1. **COVID-19 - IMPORTANT INFORMATION** All those viewing must play their part in minimising the risk to themselves and others by complying with the Government Guidelines as well as all on-site instructions and signage.
2. It is the responsibility of prospective purchasers to ensure they abide by COVID rules when considering if they are able to view prior to the auction.
3. **VIEWING** – strictly by prior appointment with the Vendor. COVID precautions and social distancing rules apply along with hand sanitisation and wearing of face masks.
4. If you are experiencing any cough, fever or other respiratory symptoms or believe that you may have been exposed to COVID-19 or any other respiratory illness, please stay at home and do not view. Should Government guidance change these updates will be made available prior to the sale.

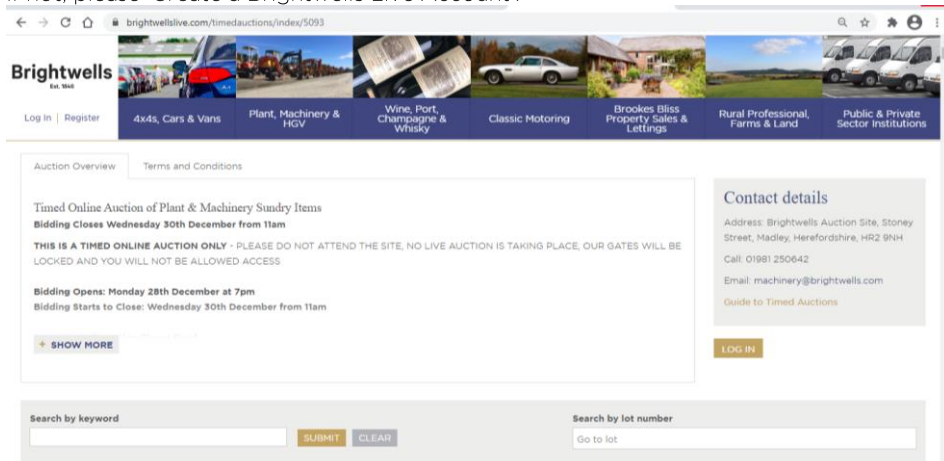

COMMISSION BIDS

1. **Commission Bids** - We will accept commission bids on all lots up until 5pm on Thursday 20th January 2022 and only when the suitable deposit has been lodged.
2. Please complete a Commission Bidding Form and email to matt.williams@brightwells.com or return to Brightwells Ltd, The Mews, King Street, Hereford, HR4 9BX if you wish to leave a commission bid.

HOW TO REGISTER FOR TIMED ONLINE AUCTION

1. Visit www.brightwells.com
2. Click onto Timed Online Auction of Hay, Straw, Silage, Haylage, Beet & Maize Silage
3. In the top right-hand corner, click onto 'LOG IN' and sign in if you already have account. If not, please 'Create a Brightwells Live Account'.

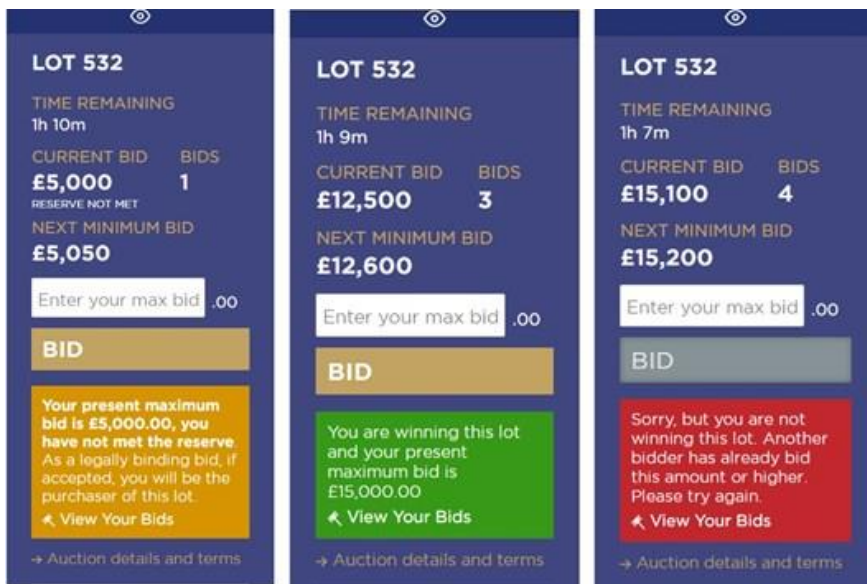

4. After placing a bidding deposit of £500, click onto the Lot(s) you wish to purchase and put in your highest bid you would be prepared to go to, at your earliest opportunity. Waiting to bid until the final few seconds may be risk, if others also bidding at that time.
5. When bidding, the system treats your bid differently depending on whether the Vendor has placed a reserve price on the lot.
If your bid has the value up to or at the reserve, the bid will be taken at it's maximum to the reserve.
If the lot has no reserve or if your bid is forced above the reserve by other bidders, then an increment table operates that the system follows, similar to other bidding

platforms. The bidding will automatically increase your bid in increments outbidding other bidders up to your maximum bid.

You will be notified by email and under your Brightwells 'My Bids Page' if you have been outbid, so you can decide whether to bid more.

Example of automatic bidding increments: £2 increment up to £50; £5 increment up to £100; £10 increment up to £200; £20 increment up to £500; £25 increment up to £1000; £50 increment up to £10,000. You may pay less than your maximum bid if you win.

6. Winning bidders will be emailed on the next working day after the auction. The Auctioneers may withdraw Lots at any time. If you are the successful bidder on one or more than one lot that is sold to you, provisionally or outright, the bids are binding and you cannot withdraw any bids - you will be liable for all lots sold to you.
7. The Timed Online Auction starts from 10.30am Wednesday 19th January 2022 and finishes on Friday 21st January 2022 from 2pm.
8. Each lot finishes every 60 seconds. As an example, Lot 1 finishes on 2pm Friday 21st January 2022, Lot 2 60 seconds thereafter, Lot 3 60 seconds thereafter etc.

Top Tips

1. To avoid disappointment, please ensure you register for an auction at least 24 hours in advance.
2. Place your **MAXIMUM** bid prior to the auction ends as early as possible.
3. Bidding increments: Brightwells uses pre-determined bidding increments. For further details, please refer to the Sale overview at the top of each sale.
4. Always read the message shown on screen very carefully, this will ensure that there is no confusion about what you have and have not won and also ensure that you do not bid an amount you did not intend to.
